PROPERTY DESCRIPTION

Wow! Updated and a big addition in 2005! Spacious 4 BR 3BA, separate office and game room, 3 car garage, .5 acre lot, granite, hardwood floors, park-like yard, lots of storage, lanai pavers. The house you've waited for! Spacious describes this custom built home with a park-like setting in one of the most popular neighborhoods in Windermere - The Willows at Lake Rhea. A 600 sq. ft. addition in 2005 of a game room and office included a renovation of the kitchen as well - granite counters, stainless appliances, alder wood cabinets, Jennair grill and stove, hardwood flooring and new carpeting. A new roof, pavers on the lanai, new A/C units outside and water heater are some of the improvements to this great home as well as new screening on the lanai and new Elastomeric paint. The pool and spa with the perfect southern exposure have a new Pebble Tec finish. The split plan with 4 bedrooms and 3 baths has a formal dining room and a living room opening to the lanai. Storage and closet space are a big plus in this bright and airy home with high ceilings. A 3 car side-entry garage with a parking pad will fit all those cars! The master suite overlooking the lanai has three closets and an oversized bath with whirlpool tub, separate vanities and walk-in shower. The large study off the master is ideal for a home office or a nursery. A family room with a wood-burning fireplace and adjacent game room provide space for any activity. Lush landscaping, trees and privacy-all you could want!
